

Company News:

We're saying goodbye to the CSi name but not the great service

December 2009

In April 2008, Hewitt Associates acquired CSi – The Remuneration Specialists to enhance its Reward practice. Since that time we've been integrating the two organisations and have maintained all Reward services in Australia and New Zealand under the combined 'Hewitt CSi' brand name.

As of 1 February 2010 we are retiring the CSi name and will deliver all our existing client services under the Hewitt brand. The impending office move from Chatswood to The Rocks (see below) and the retirement of the CSi name are important milestones for us in the integration process.

You will no longer see the Hewitt CSi logo after this time but the Reward team will continue to provide the same personal attention and high quality data and services our clients know of us and expect.

And we're on the move...

Sydney

Hewitt's Chatswood team is migrating south to join our colleagues in our central Sydney office. As of February 1 our entire Sydney-based team will be located at:

Level 6
155 George St
The Rocks
Sydney NSW 2000

Ph: +61 (0)2 9247 8066
Fax: +61 (0)2 9247 9252

We've had lots of time to plan and expect minimal disruption to client service as a result of the move. Please note that **on Friday, January 29 the online remuneration tools (Data Centre & RapidRem) through www.csirem.com.au and www.csirem.co.nz won't be available** and our Chatswood-based people will be available only via mobile phone. On Monday, February 1 we'll be in the new office and all services will resume business as usual operation.

Auckland

Our Auckland team recently moved to new premises in Parnell. The team has settled in to their lovely new home and can now be found at:

Suite 7, Level 2
Axis Building
91 St Georges Bay Road
Parnell, Auckland 1052
