

Data Centre Order Form

Access the data you need anytime, anywhere!

Hewitt CSi's online Data Centre can assist you with your remuneration data requirements, data analysis, and remuneration reporting. Accessed by a secure web portal, the Data Centre features the functionality to view and/or download report data and standard 'cuts' of data at varied market percentiles in a number of different report formats (remuneration tables, compa-ratios and 'data-dumps'). The Data Centre is a vital tool for all remuneration and benefits professionals.

Please phone 61 28440 6500, or visit www.csirem.com.au for more information.

FAST FAX ORDER FORM +61 2 9415 3347

To order please fax Hewitt CSi with this completed form:

- Yes, I'd like an annual subscription to Hewitt CSi's Data Centre. The annual cost is \$660 (inc. GST) per survey

Name _____

Position _____

Organisation _____

Telephone () _____

Email _____

Survey(s) _____

Method of payment:

Hewitt CSi will invoice your organisation for your annual Data Centre subscription(s) at the time of your survey subscription renewal(s). This may mean that you receive a one-off invoice for \$330 (inc. GST) to cover one survey cycle of the Data Centre so that future Data Centre invoices fall in line with your survey subscription renewal invoices.

Please sign to indicate acceptance of the 'method of payment' information:

x

** Minimum subscription is for one year and will be automatically renewed.*

** Prices are subject to variation due to changes in State of Federal Government legislation.*

** Prices are quoted in Australian dollars.*

** GST will not be charged on purchases made outside of Australia.*
